

# BetNowNY Players Club Levels and Points

As of July 1, 2021

The Players Club is an incentive-based program in which players are rewarded for wagering. A player's level is determined by his previous month's wagering activity. The more a player wagers, the more points he earns the following month. More points are earned for wagers made on New York State tracks and for Internet, Self-Service and Touch Tone wagering. All wagers are equal for the purpose of player level evaluation.

100 points can be redeemed for \$1.00 in Player Rewards.

Points for Wagers on NYS Thoroughbred and Harness Tracks are awarded as follows:
