FRANK'S NOTES

PLAY OF THE DAY - RACE 6

(6) **KISSINGER (M/L Odds 10/1)** had a change of address on May 01 moving over to the ever-dangerous HOWLETT barn. is overdue to pop. The three-year-old son of the useful sire CATTLEWASH put up the good fight in his first start for the new connections finishing a game second to the hot **BETTERONTEROX** despite getting the early parking ticket. More drama last week, coming down the lane he was crying for room bit found none.

With a kind trip from this post, he could turn it around today at a square price with a morning line of 10/1. He was a \$28,000 yearling purchase at the 2024 London sale. Driver Phil Giesbrecht will do the catch driving for the ever dangerous Howlett barn. Other horses to consider include a couple of horses who will garner the bulk of the attention namely (1) **UP THE GUN** where you have to respect the deadly connections or (9) **AMADEO** who drops in for a tag but will need a clean trip from this post.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level. Every effort has been made to ensure the program numbers are correct but you are strongly encouraged to double check with the official Century Downs race program before placing your bet. Selections are pre-weather and scratches. Good luck!
