FRANK'S NOTES

PLAY OF THE DAY - RACE 7

(9) **ROCKIN ROLLER (M/L Odds 2/1)** has not seen the winners circle since Feb 14, 2025 which is never a good sign but this seven-year-old son of **DOMITIAN HANOVER** does have some back class in his corner. He obviously has issues having been lightly raced this year but two starts back on May 02 he was tracking the early leaders only to find no room the lane ending up a non-threatening fourth vs. tougher horses where the hot horse **CAME A CAVALIER** won that day in a sizzling 1:53.4. Last week he was no match for the former classy and favorite **REDSTONE ARSENAL** who stopped the timer in a wicked 1:54.1 With any type of decent trip he could produce better results in here. He gets a driver switch as his trainer Brandon Campbell will now call the shots in the bike.

Other horses to consider include (2) **MISTER MOOSE** who has been off since Nov 01 but his tune-up indicates readiness with this group or (3) **HANDSOME DAN** who gets a much kinder post to work and has to rate consideration making his second start for the new connections.

Please remember that this analysis is just a suggestion, so your wagering should be made within your own comfort level.
