Racing from **GREYVILLE**

Race 1
Race Summary: J LORDI is knocking at the door. After finishing runner-up in his last two he can go one better but has drawn widest. Stablemate TP THUNDERCHILD is joint best weighted with CHOCTAW RIDGE and a lot better than her last run suggests. She can score on any of her best Eastern Cape efforts. CHOCTAW RIDGE made improvement and while also dropping in trip could score. DECLARE THE SPOT (draw one) could be anything on the poly. TASK FORCE jumps from a better draw and now has Keagan de Melo up. He looks a threat. DEE DAY and KAZ FROM ALCATRAZ must have claims in a weak race. Selections: #8 J Lordi, #1 Declare The Spot, #4 Tp Thunderchild, #2 Task Force

Race 2
Race Summary: ALL ABOUT ME went a lot better in his second run after gelding and first try on this surface. He can only improve but has a wide draw to contend with. MEGA AWESOME and DOUBLE JEOPARDY ran similarly decent races on the poly. The latter was making his debut and has scope for good improvement but the former finished faster. QUEEN OF DENMARK has much in her favour and if getting the timing right could challenge for the win. AMERICA FIRST lacked extra over 1800m but it wasn't a bad run. She is back down in distance and can get closer. Selections: #10 All About Me, #7 Double Jeopardy, #5 Mega Awesome, #4 Helen Of Troy

Race 3
Race Summary: FORT USHER impressed in his first try over this shorter trip. He could be one to follow. TROIS TROIS QUATRE can't be faulted on his poly form and looks a big threat. SHOWGIRL was backed and showed her well-being with a close second. She could prefer the poly. WHO BLINKED loves the poly and can get away if staying. GREATEST HIT wasn't disgraced with a third-place finish after a rest. He is consistent and can go close stripping fitter. PLAZA ACCORD has also drawn a bit wide. He was a bit disappointing last time but ran a creditable race in his penultimate start and can pop up. Selections: #7 Fort Usher, #4 Who Blinked, #6 Trois Trois Quatre, #10 Greatest Hit

Race 4
Race Summary: UZWANO got up to win a thrilling Michaelmas Handicap on the turf last time but he is equally adept on this surface and has a big say. But PINOT GRIGIO also caught the eye when beaten 1.75-lengths in that race and as he is 2.5kg better off he could turn the form around on his poly debut. IMPERIAL POWER was well beat last time but is better on the poly and with the leading rider up could be dangerous again. He boasts a strong finish. If CLEARTHERUNWAY gets a chance to dictate he could be the one to catch. Rested WORLD OF OUR OWN has a light weight and needs to be watched. Selections: #2 Uzwano, #7 Pinot Grigio, #3 Imperial Power, #4 Cleartherunway

Race 5
Race Summary: FIRE CHIEF could be in the right race on poly debut, although he has drawn widest. He has shown good pace over 1200m but switches to the distance he won over, 1000m, and could get back to winning ways. CLAIR DE LUNE is holding form well and from a plum gate this time could get her head back in front. LUNELUCK finally got his second career win out of the way. He got the timing right and having run very well on the poly previously could be one that may repeat. Watch out for SCOTS WAE HAE - he has been gelded and could dramatically improve on recent showings. Selections: #8 Fire Chief, #2 Clair De Lune, #4 Scots Wae Hae, #5 Luneluck

Race 6
Race Summary: NAVAJO DANCER took a while to get back to best but now that he has, he is on a roll and could make it three wins in a row. If Fort Usher goes well in in Race 3, MUSIC IS LIFE will be one to take seriously even though yet to win on the poly. His last run was fair. ANGEL'S OASIS and CAPPELLINO can't be faulted and need to be included. GALLIC KING is back on the poly and could much improve on his last run in a Class 4. JABARI THIMBA could be one to watch out for from gate one. He finally lands a decent draw and may show much more in his second start after a rest. Selections: #2 Navajo Dancer, #1 Jabari Thimba, #4 Angel's Oasis, #5 Cappellino

Race 7
Race Summary: Nothing stands out - it could pay to go wide in bets. RAGNAR THE KING had the form to win last time but jumped slow and coughed. He could bounce back. TARGARYEN KNIGHT and THE GLIDING FISH have run with better and could take advantage. FULL MONTY was in good form before a rest and looks capable. KIMBALL O'HARA and SANBEENEE (light weight) are the only runners to have won over the track and trip so must be considered. THE WOLF is taking his time to win again but it is interesting to note that 2025 Betway Summer Cup winning rider Tristan Godden is the only rider to have won on him. Selections: #4 Ragnar The King, #1 Targaryen Knight, #5 The Gliding Fish, #9 The Wolf

Race 8
Race Summary: Competitive handicap to end. WHAT A CLASSIC has been staying on. She has gate one and could get closer in this. CAPTAIN'S JET has turned in two solid performances over the course and distance. She also has much in her favour and can notch up another win. SHESHA NTOMBI and PREDATORS CROWN have decent form but need to find more over this trip. There wasn't much to choose between ETHEREAL VIEW and THE GHOST and both are overdue. MON PAPILLON could be the dark horse. She has Western Cape form but has drawn widest. Selections: #2 Captain's Jet, #1 What A Classic, #10 Shesha Ntombi, #8 Predator's Crown

Best Win: #8 FIRE CHIEF

Best Longshot: #2 CAPTAIN'S JET
